NOTICE OF SCHEDULE CHANGE

Parents,

Beginning next Monday, October 3, 2011, our school start time will change to 7:50 am, with the tardy bell ringing at 7:54. This change is due to our new lunch program and schedule which starts that day. This time change will allow all students PK-12 to have breakfast without overcrowding the cafeteria and to accommodate serving changes. Pre-K through 6th grade students who plan to eat breakfast should arrive before 7:50 so that there is time for them to eat prior to class starting. Students in grades 7-12 will eat at an alternate time, but will start the school day at 7:50.

Our cafeteria staff has worked extremely hard to bring a high quality, low cost product to our children and this change was a necessary requirement to make this happen. We will send out information soon regarding a food fair/open cafeteria night for the public to sample our new food offerings. Thank you for your patience and understanding as we make this transition.

Please mark your calendars with the new time changes. If you have any questions regarding this change please feel free to call at 936-636-7616.
